

IT'S GOING TO BE A ROCKIN' & ROLLIN' SUMMER AT SUMMER PRODUCTION CLASSES

ALL SHOOK UP

This crowd-pleasing musical is inspired by and featuring the songs of Elvis Presley®. It's 1955, and into a square little town in a square little state rides a guitar-playing young man who changes everything and everyone he meets in this hip-swiveling, lip-curling musical fantasy that'll have you jumpin' out of your blue suede shoes with such classics as "Heartbreak Hotel," "Jailhouse Rock," and "Don't Be Cruel."

We're all shook up about this all-day musical production class that will have your student singing, dancing and acting in this rockin' show! Students will work with a professional director, choreographer, and musical director.

ROCK OF AGES: SCHOOL EDITION

Set on L.A.'s famous Sunset Strip in 1987, Rock of Ages tells the story of Drew, a city boy from South Detroit, and Sherrie, a small-town girl, who have both travelled to L.A. to chase their dreams of making it big and falling in love. This classic love story is set against the troubles at the Dupree Room, a "legendary temple of rock 'n' roll excellence", under threat by developers of being torn down and replaced with a strip mall. The threats of closure bring legendary rocker Stacey Jaxx to town, and an opportunity for Drew to chase his dream to rock out with the best.

Like, totally join us this summer for this *radical* all-day musical production class. Let's hop in our time machine and experience those 80's rock anthems and power ballads. Students will work with a professional director, choreographer, and musical director.
